Our Priorities

1. Collections
2. People
3. Audience Engagement
4. Research & Impact
5. Teaching & Learning
6. Financial Resilience

Our Vision

By end of 2022/23, GLAM will have grown its global audiences while nurturing and supporting local communities and fostering new ways of working. By investing in our people, our digital and our physical infrastructure, we will create new ‘spaces’ that allow a deeper understanding of culture and science past, present and future.

Our Guiding principles

- Diversity & Inclusion
- Wellbeing
- Environmental Responsibility
